You are my best friend
And I love you
You're always there to love me,
When I didn't even love myself
You bring out the best in me
And I thank you
Thank you for my life, thanks for your advice
Your wisdom and your strenght ohh

My earth angel (oh)
Thank you I'm so greatful
For trusting me and lovin' me
Your love unconditionally
My earth angel
Thank you I'm so greatful
For trusting me and lovin' me
Your love unconditionally

You are my messenger
From the heaven
No matter how unhappy I become,
You always find a way to make me smile
And I admire you
For your pure heart
You always giving all of you
To everyone around you
And I pray we never part, oh

My earth angel (angel)

For trusting me and lovin'me
If you love unconditionally (oh)

For trusting me and lovin'me (loving me)
Your love unconditionally

And if it wasn't for you
And if I didn't know you
And if you never reach me
And if you didn't teach me
I wouldn't be who I am right now
I wouldn't give what I give right now
I wouldn't think what I think right now
I'm thanking you, I'm thanking you, ohhh

My earth angel
Thank you I'm so greatful
For trusting me and lovin' me (loving me)
Your love unconditionally, oh
My earth angel
