

Destiny's Child, Tell Me

[Verse 1 Beyonce:]

Why dont you just admit it
Cause I dont need your gratitude
And dont you try to hide it
Just tell me the truth
I cant go on this way looking for something that isnt there
Should I be on my way
Because I need a reason for this mess

[Chorus:]

Tell me if you dont love me anymore
Just tell me, if you dont care bout me anymore
Just tell me, if you dont want it,just tell me (Tell me)

[Verse 2 Beyonce:]

I never thought this day would come

But a test of love I need from you
Honesty's always seen through eyes
I wish you would believe
Im giving you my all but it's not pleasing(you're distant heart)
If you respect my love you'll hear my plea

[Chorus]

[Guitar break]

Do do do do do do do do do do
la la la la la la la la la

Tell me if you dont love me anymore
Just tell me, if you dont care bout me anymore
Just tell me, if you dont want it,just tell me (Tell me)
