

Destroy!, Total Fucking Chaos

Blood for the blood gods!
Speeding cross the tundra
On our cro-moly steeds
We valiantly ride forth
To do chaotic deeds
Spreading devastation
In our knobby studded path
No feeble mortal yuppie shall escape our
Awesome wrath

Forget nothing forgive no-one

Blazin molten metal forged in the depths
of Hell
The hordes increase as our mighty force
swell
Rabidly possessed with malevolent fury
Get out of our way we're in a fucking hurry

Forged in the maelstrom we are chaos spawn
Riding out of darkness and onto your lawn
Crushing your bones under our tires
Tempered by evil in the blood god's fires

In our wake follow the beasts
Blood of our victims shall become their feast
Slaves to masters bound by no laws
Those who defy shall perish in their jaws
