

# Destructo, Dare You 2 Move

[Verse 1: Problem]

Doin' 95 on the 15  
Drive crazy like a nigga fifteen  
High as fuck yeah I'm bout to O.D  
Oh lord I don't wanna see the police  
Cause nobody's home, I'm gone  
Never O F F I'm on, talking nasty on my phone  
She like what kinda drugs you on?  
None  
I'm just a guy who likes to have fun  
And you seem like you wanna have none  
So I'm done, Boop, talking to your ass  
Let me call another bitch up  
Damn I'm bout to crash, I almost ran into a pick up  
You high? Raise yo hands this a motherfuckin' stick up

[Hook: Problem]

I dare you to move  
I dare you to move  
I dare you to move  
What kind of drugs you on motherfucker?  
I dare you to move

[Verse 2: Problem]

What  
Smoking a joint when I ride  
That's what us winners do  
Bitch don't be killing my vibe  
Yo money short as an interlude  
Boy you can't swim with a shark  
Float 'fo I bite up your inner tube  
Baby he fired, I am the man for the job  
We can skip all the interviews  
I'm a come over and enter you  
Take it, take it, like you suppose to  
Have us some more drinks and then we get naked  
Getting that pussy, go postal, on me  
Then hide right back in the Diamond Lane  
Fuck, police pulled up beside me man  
Hey man, I dare you to move  
(Fuck me)  
(Talking to ya bitch ass, yeah)  
(Hey, shit go crazy)  
She like what kinda drugs you on?  
None  
I'm just a guy who likes to have fun  
And you seem like you wanna have none  
So I'm done, boop, talking to your ass  
Let me call another bitch up  
Damn I'm bout to crash, almost ran into a pick up  
You high? Raise yo hands this a motherfuckin' stick up

[Hook: Problem]

I dare you to move  
I dare you to move  
I dare you to move  
What kind of drugs you on motherfucker?  
I dare you to move
