

Dharma, She Wolf (Davd Guetta cover)

A shot in the dark
A past lost in space
Where do I start?
The past and the chase
You hunted me down
Like a wolf, a predator
I felt like a deer in love lights

You loved me and I froze in time
Hungry for that flesh of mine
But I can't compete with a she-wolf, who has brought me to my knees
What do you see in those yellow eyes?
'Cause I'm falling to pieces

I'm falling to pieces
Falling to pieces
I'm falling to pieces
Falling to pieces

Did she lie in wait?
Was I bait to pull you in?
The thrill of the kill
You feel is a sin
I lay with the wolves
Alone, it seems
I thought I was part of you

You loved me and I froze in time
Hungry for that flesh of mine
But I can't compete with the she-wolf, who has brought me to my knees
What do you see in those yellow eyes?
'Cause I'm falling to pieces

I'm falling to pieces
Falling to pieces
I'm falling to pieces
Falling to pieces
