Dharma, She Wolf (Davd Guetta cover)

A shot in the dark A past lost in space Where do I start? The past and the chase You hunted me down Like a wolf, a predator I felt like a deer in love lights

You loved me and I froze in time Hungry for that flesh of mine But I can't compete with a she-wolf, who has brought me to my knees What do you see in those yellow eyes? 'Cause I'm falling to pieces

I'm falling to pieces Falling to pieces I'm falling to pieces Falling to pieces

Did she lie in wait? Was I bait to pull you in? The thrill of the kill You feel is a sin I lay with the wolves Alone, it seems I thought I was part of you

You loved me and I froze in time Hungry for that flesh of mine But I can't compete with the she-wolf, who has brought me to my knees What do you see in those yellow eyes? 'Cause I'm falling to pieces

I'm falling to pieces Falling to pieces I'm falling to pieces Falling to pieces
