

# Diana Ross, A Brand New Day

Everybody look around  
cause theres a reason to rejoice you see  
Everybody come out  
And lets commence to singing joyfully  
Everybody look up  
And feel the hope that weve been waiting for

Everybodys glad  
Because our silent fear and dread is gone  
Freedom, you see, has got our hearts singing so joyfully  
Just look about  
You owe it to yourself to check it out  
Cant you feel a brand new day?  
Cant you feel a brand new day?  
Cant you feel a brand new day?  
Cant you feel a brand new day?

Everybody be glad  
Because the sun is shining just for us  
Everybody wake up  
Into the morning into happiness

Hello world  
Its like a different way of living now  
And thank you world  
We always knew that wed be free somehow  
In harmony  
And show the world that weve got liberty

Its such a change  
For us to live so independently  
Freedom, you see, has got our hearts singing so joyfully  
Just look about  
You owe it to yourself to check it out  
Cant you feel a brand new day?  
Cant you feel a brand new day?

Everybody be glad  
Because the sun is shining just for us  
Everybody wake up  
Into the morning into happiness  
Hello world  
Its like a different way of living now  
And thank you world  
We always knew that wed be free somehow  
In harmony  
And show the world that weve got liberty

Its such a change  
For us to live so independently  
Freedom, you see, has got our hearts singing so joyfully  
Just look about  
You owe it to yourself to check it out  
Cant you feel a brand new day?  
Cant you feel a brand new day?
