Diana Ross, Don't Stop

Don't stop Love me right

Don't stop doing what you're doing
The way you touch me makes me feel so good
There's something about the way you love me
Boy you got me calling out your name
I love the way you love me baby
I can never run away from you
Give me all of your good love
Until I overflow

Kiss me any time you want to Love with you is where I wanna be Could we do what you do to me I just can't get enough
