

Diana Ross, It's Christmas Time

It's christmas time
And you will find His love is everywhere
While shepherds watched their flocks by night
The star shone all around
Jesus came to earth
Born of Mary
Prince of Peace, Emmanuel
I love to tell the story

And now the King born in a manger is Lord of my heart
Now the King born in a manger is Lord of my soul

It's christmas time
And you will find His love is everywhere
The wise men came to see His face
And glory shone around
Jesus came to earth
Born of Mary
Prince of Peace, Emmanuel
I love to tell His story

And now the King born in a manger is Lord of my heart
Now the King born in a manger is Lord of my heart

Oh yes, the king born in a manger
Is Lord of my heart
Now the King born in a manger
Is Lord of my soul

It's Christmas time
