

# Diana Ross, Lovely Day

(Bill Withers/Skip Scarborough)

When I wake up in the morning love  
And the sun light hurts my eyes

And something without warning love  
Bears heavy on my mind.  
Then I look at you and the world's alright with me

Just one look at you and I know it's gonna be

[Chorus:]  
A lovely day -  
Lovely day [8x]  
A Lovely day  
Lovely day [7x]

When the day that lies ahead of me seems impossible to face  
And someone else instead of me always seems to know the way  
Then I look at you and the world's alright with me  
Just one look at you and I know it's gonna be -

[Chorus]

When the day that lies ahead of me seems impossible to face  
And someone else instead of me always seems to know the way  
Then I look at you and the world's alright with me  
Just one look at you and I know it's gonna be -

[Chorus]
