

# Diana Ross, Stormy Weather

I don't know why  
There's no sun up in the sky  
Stormy weather  
Since my man and I ain't together  
It's raining all the time

When he went away  
The blues came in and met me  
If he stays away  
That old rocking chair's gonna get me  
All I do is pray  
My lord will let me  
Walk in the sun once more

I can't go on  
Everything I have in life is gone  
Stormy weather  
Just can't get my gal and I ain't together  
It's raining all the time  
Keeps raining all the time
