

# Diana Ross, Tell Mama

(Carter/Terrel/Daniel)

You thought you had found a good girl  
One to love you and give you the world  
Now you've found that you've been misused  
Talk to me I'll do what you choose

I want you to tell mama all about it  
Tell mama what you need  
Tell mama what you want  
And I'll make everything all right

That girl you had didn't have much sense  
She wasn't worth all the time that you spent  
She had another man throw you out doors  
Now the same man is wearing your clothes

I want you to tell mama all about it  
Tell mama what you need  
Tell mama what you want  
And I'll make everything all right

She would embarass you anywhere  
She let everybody know she didn't care  
Give me a chance I'm begging you  
I just wanna take care of you

Come on and tell mama all about it  
Tell mama what you need  
Tell mama what you want  
Tell mama just what you want right now

Come on and tell mama all about it  
Tell mama what you need  
Tell mama what you want  
Tell mama just what you want right now
