

# Diana Ross, Touch Me In The Morning

(Ron Miller and Michael Masser)

Touch me in the morning  
Then just walk away  
We don't have tomorrow  
But we had yesterday  
Hey, wasn't it me who said  
That nothin' good's gonna last forever  
And wasn't it me who said  
Let's just be glad for the time together  
Must've been hard to tell me  
That you've given all you had to give  
I can understand your feelin' that way  
Ev'rybody's got their life to live

Well, I can say goodbye  
In the cold morning light  
But I can't watch love die  
In the warmth of the night  
If I've got to be strong  
don't you know I need to have tonight  
When you're gone, till you go  
I need to lie here and  
Think about the last time  
You'll touch me in the morning  
Then just close the door  
Leave me as you found me  
Empty like before

Hey, wasn't it yesterday  
We used to laugh at the wind behind us  
Didn't we run away and hope  
That time wouldn't try to find us  
Didn't we take each other  
To a place where no one's ever been  
Yeah I really need you near me tonight  
'Cause you'll never take me there again  
Let me watch you go with the sun in my eyes

We've seen how love can grow  
Now we'll see how it dies  
If I've got to be strong  
Don't you know I need to have tonight  
When you're gone, till you go  
I need to hold you until the tie  
Your hands reach out and

Touch me in the morning  
Then just walk away  
We don't have tomorrow  
But we had yesterday  
We're blue and gold  
and we could feel one another living  
We walked with a dream to hold  
And we could take what the world was giving  
There's no tomorrow here  
There's only love and the time to chase it  
Yesterday's gone my love  
There's only now and it's time to face it
