

Diana Ross, What The World Needs Now

What the world needs now is love, sweet love
Its the only thing that theres just too little of
What the world needs now is love, sweet love
No not just for some but for everyone

Lord we dont need another mountain
There are mountains and hillsides
Enough to climb
There are oceans and rivers
Enough to cross. enough to last
till the end of time

What the world needs now is love, sweet love
Its the only thing that theres just too little of
What the world needs now is love, sweet love
No not just for some but for everyone

Lord we dont need another meadow
There are corn fields and wheat fields
Enough to grow
There are sun beams and moon beams
Enough to shine
Oh listen lord if you want to know

What the world needs now is love, sweet love
Its the only thing that theres just too little of
What the world needs now is love, sweet love
No not just for some but for everyone

What the world needs now is love, sweet love
What the world needs now is love, sweet love
What the world needs now is love, sweet love
What the world needs now
