

# Diana Ross, You've Changed

(B. Carey/C. Fisher)

You've changed  
That sparkle in your eyes is gone  
Your smile is just a careless yawn  
You're breaking my heart  
You've changed

You've changed  
Your kiss is now so blase  
You're bored with me in every way  
I can't understand  
You've changed

You've forgotten the words  
I love you  
Each memory that we've shared  
You ignore every star above you  
I can't realise you ever cared

You've changed  
You're not the angel I once knew  
No need to tell me that we're through  
It's all over now. You've changed
