

# Diary Of Dreams, The Witching Hour

My total reception  
Of unknown disasters  
My complete redemption  
Define the state of war

A trip to my conscience  
My pain made of slander  
My guilt in denial  
Cause anger with fear  
Revenge with devotion  
Witchcraft remorse  
The last refugee  
Who pays the reward?

Encounted danger  
Intrigues of a friend  
Defeat for a stranger  
Mankind kills as one  
My haunted desires  
Infamous liars  
This intoxication  
Will kiss you goodnight

I lost my temper  
This is my terrorzone  
I lost my temper  
The 11th hour
