## Dickies, Manny, Moe And Jack

When your on the road And your car wont pull that load And your wheels aren't feeling fine Well I know of this joint Where they'll check your plugs and points I know these guys they're three good friends of mine

Manny Moe and Jack
They know what I'm after
Manny Moe and Jack
They know what I'm after
They're Many Moe and Jack
Once your inside
They wont take you for a ride
They got a good deal for you and your automobile
For the right price
They will sell you fuzzy dice
And leather hand grips for your steering wheel

## Chorus

If its tires you want they got a lot for you Dunlop, firestone, Pirelli too

(8x)Manny, Moe and Jack! They know what I'm after
