

Die Antwoord, ALIEN (ft. The Black Goat)

i am an alien
no matter how hard i try i don't fit in
always all on my own
sad and lonely
all I want is for someone to play with me

long ago
I was a little girl yet
I was never ever able to fit in
my teachers at school would try to tell me
what to do but, yo I would never listen
cause I was high all the time
stoned out of my little fucking mind
misunderstood, lost and confused looking for a sign
all the popular kids at school were super mean to me and made me cry
I never knew what I should do
so I just walked away and said" Fuck off and die
they said that I'm wired
that I;m ugly and thet I suck
I knew the one day all of those kids would grow up to be borting as fuck

i am an alien
no matter how hard i try i don't fit in
always all on my own
sad and lonely
all I want is for someone to play with me
i am an alien
no matter how hard i try i don't fit in
always all on my own
sad and lonely
all I want is for someone to play with me

I close my eyes and float into the night
like to let my mind drift
make a jump into a new dimension
thank id, I got that gift
every since I was a little kid
always on the next shit
these whack copycat ball bags can suck my motherfucking dick
sometimes it feels like coming from ytgis planet
people are so sick and twisted
I don't wanna fit in anyway
I'd rather be a misfit
fuck a normal life
that's lame
me I;m insane in the brain
they laugh at me because I'm different
I laugh at them because they're all the same

i am an alien
no matter how hard i try i don't fit in
always all on my own
sad and lonely
all I want is for someone to play with me
i am an alien
no matter how hard i try i don't fit in
always all on my own
sad and lonely
all I want is for someone to play with me
