

Die Antwoord, BUM BUM

[Intro]

Love me, Ninja
Love me everywhere

[Hook]

Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum

[Chorus: Ninja]

Mi vida es una locura
(Tu pene es hermoso)
Conozco las mujeres más hermosas
(Cógeme, Ninja)
Las mujeres más hermosas del mundo
(Rómpeme)
Ellas están súper locas
(Cógeme como un perro)

[Verse 1: Ninja]

Yeah, I like it when you're face down, ass up
Love it when you spread your ass like that, fuck
Like it when you sing (Ninja, kiss my ass)
I love rockin' your ass like a ninja mask
I like it when you come visit me (Hola!)
I like it when you drop to your knees
I like it when I slap you in the face with my dick
Flip you 'round, then we fuck to the beat
I like it when you say (Fuck me anywhere)
Anywhere? (Anywhere, Ninja, I don't really care)
After it she likes it when I snuggle like a teddy bear
Bed wet, legs spread, big mess everywhere

[Hook]

Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum

[Chorus: Ninja]

Mi vida es una locura
(Tu pene es hermoso)
Conozco las mujeres más hermosas
(Cógeme, Ninja)
Las mujeres más hermosas del mundo
(Rómpeme)
Ellas están súper locas
(Cógeme como un perro)

[Verse 2: Ninja]

I like it when you wake me up with you
Bougie little Gucci coochie stuck to my face
Like a little alien face hugger, get it funky
I like it when you say (Ninja, fuck me)
I like it that your mind is a mystery
I like it when we fuck and you just leave
Without saying goodbye or trying to kiss me
I like it when you tell me that you miss me (Te extraño)
I like it when we dance in the club
I like it that you don't give a fuck
Yeah, you're dancing with the devil
And you got your panties to one side
Fuckin' you on the dance floor

Back at the crib, I like it when we're fuckin'
And you take it out your pussy and say
(Put it in my bum again)
After it she likes it when I snuggle like a teddy bear
Bed wet, legs spread, big mess everywhere

[Hook]

Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum

[Chorus: Ninja]

Mi vida es una locura
(Tu pene es hermoso)
Conozco las mujeres más hermosas
(Cógeme, Ninja)
Las mujeres más hermosas del mundo
(Rómpeme)
Ellas están súper locas
(Cógeme como un perro)

[Hook]

Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
Even in my bum, even even in my bum
