

# Die Antwoord, Cookie Thumper!

[Intro: God]

There once was a little girl  
Who had a crush on a bad, bad boy  
But when that bad boy got out of prison  
That little girl's ass was in big, big trouble

[Hook: Yo-Landi Visser]

Daai bra Anies, hy's n fokken gam bra  
Haai! Daai Anies, hy lam innie mang, ja  
&quot;Ken sy my nommer?&quot; Xha! Boy, what's your number?  
Twee ses? Twee sewe? Of is jy n ag bra?

[Verse 1: Yo-Landi Visser]

Throw them devilish gang signs in the air  
Start giving it up for little evil me  
My fingers are green 'cause I'm a mean dope fiend  
I'm wicked like a mad D.O.G  
Fresh like a little dark G.O.D  
Yo-Landi Vi\$\$\$er got the hypest flow  
Start talking in tongues whenever I get stoned  
Motherfucking minds get blown  
Every time I rap into the microphone  
My zef accent is very foreign  
When I speak overseas they go &quot;I beg your pardon?&quot;  
You can't get me, like Eric Cartman  
Naughty little kitty go &quot;meow&quot;  
Yes daddy, I'm a big girl now  
Jas little devil make your dick go &quot;wow!&quot;  
Yeah, boy, Yo-Landi Vi\$\$\$er is hot stuff

[Hook: Yo-Landi Visser]

Daai bra Anies, hy's n fokken gangsta  
Haai, daai Anies, hy lam innie mang, ja  
&quot;Ken sy my nommer?&quot; Xha! Boy, what's your number?  
Twee ses? Twee sewe? Of is jy n ag bra?  
Daai bra Anies, hy droom innie mang, ja  
Van my punani, ja, jys lekker jas, bra  
Vinger in jou hol in, nxa! Haal uit die ganja  
Ja pakkie zol in! Klap it soos n rasta

[Verse 2: Yo-Landi Visser]

I rhyme tight! Tight, tight, tight!  
Spark mosh-pit shit 'cause I rhyme so hype  
Put me in front of someone I don't like  
I go punch! Kick! Bite! Fight!  
I'm cray-cray like O.D.B  
Yo-Landi down with O.P.P  
I smell lovely 'cause I don't eat meat  
Too much bubbly then I go pee-pee  
Look out here I come, little evil me  
I got a itchy little need for speed  
Rap on the beat like a high-speed chase on  
I gooi rooi! No motherfucking brakes on  
All these pop songs sound like the same song  
I burn them! Ja motherfucker, flame on!  
Bow down to her motherfucking majesty  
No rapper out there as bad as me

[Bridge: Yo-Landi Visser]

Sny jou koekie!  
Sny-sny jou snoekie koekie!  
Cut it-cut it, hey kitty kitty kitty!  
Cut it-cut it, hey kitty kitty kitty!  
Sny jou koekie!

Sny-sny jou snoekie koekie!  
Cut it-cut it, hey kitty kitty kitty!  
Cut it-cut it, hey kitty kitty kitty!

[Hook: Yo-Landi Visser]
