Lazy Lambo days and Lambo nights

[Verse 1]
Uh yo
Looking back on the bad days
I was on a muddafuckin 'rampage
Back when I was caught up in the rat race
I knew somehow, someway, someday one day
I'd be living that Lambo Life
Now everybody goes "That's so nice"
But nobody knows what I sacrificed
To get this shit
I don't fit in
Yes I admit it
But I'm committed
Told them I gon' get it and I muddafuck hit it
It took a minute
But look, Ma, I did it
Rich is how I'm living
Cos I kill it when I spit it

[Yo-Landi Visser]
Yoh!

[Chorus: Ninja & Draad]
Ow Lamborghini! Hom! Fuck!
Ow Lamborghini! Hom! Drop!
Ratatatatata!
Ow Lamborghini! Hom! Fuck!
Ow Lamborghini! Hom!
