[Verse 1: Ninja]

Told my daddy I was gonna grow up to be  
A superstar rapper making big money, know what I mean girl?  
But my daddy told me I was living in a dream world  
If I said "Yes dad" I wouldn't have my zef swag  
Or fly round the whole fokken world gettin' jet lag  
Gettin' bitten by the zef bug is the best drug  
If I played it safe, I woulda never made it ever  
Now every day in every way I get a little zeffe  
No matter what you smoke, you'll never get as high as me  
It's like a fat fuck you when these naaiers see  
My big billboard up in NYC  
Don't you wish your boyfriend was zef like me?  
I'm the motherfuckin' greatest, suckers love to hate us  
But I make these bitches submissive cause I'm a dominator  
I'm mad musical, my rhymes are the tightest  
That's why I tap beautiful designer vaginas

[Hook: Ninja]

I rub my dick on XPEN\$IVE SH1T  
I rub my dick on XPEN\$IVE SH1T  
It's like a dream come true, I'm living the dream bru  
Rubbing my dick on XPEN\$IVE SH1T

I rub my dick on XPEN\$IVE SH1T

[Hook 2: Yolandi]

Big money  
Big money  
Big money  
Make my dreams come true

[Verse 2: Ninja]

Baby I'm an angel, sent from the dark side  
Took my brush-cut to the next with peroxide  
"Oh my god, that's such a fresh switch!"  
Ja, whatever, just don't touch the hair bitch  
Everybody's crying saying; "Hip-hops dead"  
'til a white South African hip-hop head  
Pops up on the scene sayin' "It's not dead!"  
I'm here, can I get a fokken aah yeah?  
Rappers looking at me like I just crawled out the drain  
The underground got me bored out my brain  
And this pop-rap bullshit all sound the same  
God help you if I call out your name

From the dark side of the moon, I zoom outta the gloom  
Doom doom! The room goes boom like a cartoon  
The dark ravers has come, my mic-saber is on  
Turn and tell your friend; &quot;Yo this is my favourite song!&quot;

[Hook: Ninja]

I rub my dick on XPEN\$IVE SH1T  
I rub my dick on XPEN\$IVE SH1T  
It's like a dream come true, I'm living the dream bru  
Rubbing my dick on XPEN\$IVE SH1T

I rub my dick on XPEN\$IVE SH1T  
I rub my dick on XPEN\$IVE SH1T  
It's like a dream come true, I'm living the dream bru  
Rubbing my laaney totti op watokal
