

Diggy, Do It Like You (ft. Jeremih)

Oh!
Hey!
There she go (there she go)
That's the one I've got to know
Such a cutie right?
Her whole crew is tight
But they don't do it like you

How her hair flows when she walk
Like a Love Jones when she talk
Such a cutie right?
Her whole crew is tight
But they don't do it like you

It seems like for a while I've know ya
Nostalgic moments feels like magic don't it
Girl you killin 'em, my condolence
That's how you on it? Yea that's how you on it

And I'm gonna be with you no matter what it takes
Running with scissors in the traffic, tryna cut
straight to the chase
Wanna be there when you wake
When no make up on your face
Not even gloss, before you brush
Love your dimples when you blush

It's the simple things in life we take for granted
cause we rush
I just wanna gain your trust as well as me giving you
mine
What's yo sign? I'm a Aries, I'm a 90's baby clearly
I'll make sure to make time for you though my schedule
may vary

Hold up, hold up, hold up
I just wanna know ya
I heard 'em say that beauty's in the eyes of the
beholder
Well girl my vision's bad so I'm gon' need you to come
closer
Closer, now you right here where you suppose to

Oh!
Hey!
There she go
That's the one I've got to know
Such a cutie right?
Her whole crew is tight
But they don't do it like you

How her hair flows when she walk
Like a Love Jones when she talk
Such a cutie right?
Her whole crew is tight
But they don't do it like you

Excuse me Misses, may I spark your interest
Cause you sure got my attention, I just wanna grant you
wishes (la la)
What you want you get it, I don't call it tricking
Not just cause I got it cause I want to, that makes all
the difference
I'm about my business, and ooh girl you the business

We should get together soon so we can do some business
I got some things that I could teach ya, lemme show ya
Is you ready, what's the hold up

You ain't 'bout no drama, you remind me of my mama
Smelling like flower balm and Escada
Shut it down and you won't even try ta
You such a boss but carry yourself like a lady
The baddest out ya crew and that is not up for debating

Hold up, hold up, hold up
I know what they say
Every rapper only want that sexual healing Marvin Gaye
Don't believe it girl, I promise I'ma treat you like my
treasure
I'm a movement by myself but I know you'll make me
better

Oh!
Hey!
There she go
That's the one I've got to know
Such a cutie right?
Her whole crew is tight
But they don't do it like you

How her hair flows when she walk
Like a Love Jones when she talk
Such a cutie right?
Her whole crew is tight
But they don't do it like you

Oh!
Hey!
There she go
That's the one I've got to know
Such a cutie right?
Her whole crew is tight
But they don't do it like you

How her hair flows when she walk
Like a Love Jones when she talk
Such a cutie right?
Her whole crew is tight
But they don't do it like you

Hey!
Her hair flows when she walk
Like a Love Jones when she talk
Such a cutie right?
Her whole crew is tight
But they don't do it like you

They don't do it like you
The prettiest girl I've ever seen by the way
Yeah, yeah!
