

Dilated Peoples, This Way Feat. Kanye West

(Kanye West) + (Choir)

Now turn it up, (little louder) turn it up (little louder)
turn it uuuuup, (little louder) turn it up (little louder)
now turn it up (can't live my, I, I can't live my)
(I can't live my, I, I can't live)
now turn it up, turn it up

(Evidence)

I, I can't live my, can't live my
yeah, yo I can't live my I, I can't live my
life this way, continue really get high
instead of runnin 'round, lock one bird down
it's a new day gotta do it big just to get right
show no respect can't live that way
you hold my check can't live that way
without my chick on deck, can't live that way
they say what they like, but I've been that way
Our moves calculated through the limbs, almost here
success will be the best revenge
man, from Clint East' to Kanye West (whut up, whut up!)
the sun cant chill but everyday it sets (everyday!)

(Chorus - Male Choir) + (Female Choir)

this time I made up my mind
this time I'm back on my grind
I know these days in my life
that I'ma let go startin tonight
(I can't live my, I, I can't live my)
(I can't live my, I, I can't live my)
I can't live my, I, I can't live my
I can't live my life this way (can't live my, I, I can't live my)
this way (I can't live my, I, I can't live my)
this way, I can't live my, I, I can't live my
I can't live my life this way

(Kanye West)

yea, yea Kanye to the
My favorite girl wanna leave just because I got a girlfriend
my freak girl told me "now, she a christian"
my white girl wanna move back to Michigan
I'm pullin girls off the bench like a "six-man"
I'm in the club doin the same ol' two step
while omega doin the same ol' Q- step
I have my money on my mind I was thinkin green
she a pledge A.K.A. "she was pink and green"
I wanna a good girl she want a gentleman
we sayin' the same thing like a synonym
I wasn't really spittin game I was scrimmagein
my pimpinship's so hard in this cencorship
I'ma Chicagoan till Chicago ends
till we blow like Chicago wind
I don't know what's better, gettin laid or gettin paid
I just know I'ma gettin one, the other's gettin away
this way

(Chorus)

(Rakaa Iriscience)

Go 'head, flip a coin so the game don't stop
believe I know the drama keep name apart
I learnt before the hot flame came the spark
it's like 'fore the pop fame came the park
but this industry'll play with yo' life man
they playin with yo' rent, food, water and lights man (yeah)

that's why Rakaa puts a ol' tidy G jam??
the veteran, then I'm off to Amsterdam
to rest up for strenght to deal with this weight
to deal with these deals to deal with this hate
I dedicate this Jam Master Jay
Run-DMC showed me how to walk, this way

(Chorus)

(Kanye West & Rakaa speak in Outro)
