

Dillistone, Down

I don't really change
If I'm honest with myself
I got problems on my own
Walk away, walk away
Try to keep it simple if you stay
Can we try to keep it simple if you stay?
Don't let me
Down down
Down down
Down down
Down down
Down down
Down down
Down down
Down down
Don't let me

Whenever I'm with you
I am honest with myself
All my issues turn to smoke
Wash away, wash away
Promise me we'll never fade
Can you try to promise me we'll never fade?

Don't let me
Down down
Down down
Down down
Down down
Down down
Down down
Down down
Down down
Don't let me
