

Dimitri Vegas & Like Mike, When I Grow Up (ft. W

when i grow up
i wanna be like Wiz Khalifa
have lot's of cool stuff
when i grow up
hear my music through the speakers
I wann feel love when i grow up
I wanna have enough to ay the bills
and buy my mum a house up on the hill
I wann abe like Wiz Khalifa
when i grow up
when i grow up

ground like I do 'em trees
ut's true if you believe
you can get anything you want to achive
and I swear to everything
tatted on my sleeve
it ain't plenty positions of feeling comfort
when shit ain't cool fools rough for it
you gon remember my name when I'm done with it
and when they sad and done
I'll be at the top
where the summons is
ten toes we the ones who run it
everything running smooth
there ain't no dysfunction
if we talking money
call me that;s a good decisions
I;m talking motivation with no interruption

when i grow up
i wanna be like Wiz Khalifa
have lot's of cool stuff
when i grow up
hear my music through the speakers
I wann feel love when i grow up
I wanna have enough to ay the bills
and buy my mum a house up on the hill
I wann abe like Wiz Khalifa
when i grow up
when i grow up

hundred percent I'ma always get my all
haters talking down they wshing that I fall
every time I get a chnce know that I ball
aytime I need my game they're right there for me
I go hard fromm the staryt
never start to rush things hard
every time tyou see me look like we before met
I;m a star living large
look at me ike a boss becaius
I paid the cars
had to slow it down I had too many bars
now I got the younger kid singing out

when i grow up
i wanna be like Wiz Khalifa
have lot's of cool stuff
when i grow up
hear my music through the speakers
I wann feel love when i grow up
I wanna have enough to ay the bills
and buy my mum a house up on the hill
I wann abe like Wiz Khalifa

when i grow up
when i grow up
