

Dionne Farris, I Know

I know what you're doing yeah yeah
I know why you dialed my number
I know what you're doing yeah yeah
I know why you care

I know what you're doing yeah yeah
I know why you say you love me
I know what you're doing yeah yeah
And I don't think it's fair

I know why you dialed my number
I know why you say you're mine
I know what you're doing,

And it's not, gonna work, this time (2)

I know what you're doing yeah yeah
I can never sing in that key
I know what you're doing yeah yeah
And you're the one to blame

I know what you're doing yeah yeah
I know why you can't forgive me
I know why you're singing lost love
The lyrics haven't changed

1-I can recognize the symptoms
You should know I've changed my mind
I know what you're doing
And it's not, gonna work this time
Hey hey hey, said it's not gonna work this time...

I know what you're doing, baby
I know why you call my name
I know why you say you love me
but I can't say the same
(repeat 1)
