

# Disclosure, You & Me (feat. Eliza Doolittle)

I'll be giving up, oh

Home is where the heart is,  
And I gave it to you in a paper bag  
Even though it's tarnished  
You told me it's the best you ever had  
You got my secret combination  
And I don't be giving that out easily  
With my deep ?  
You can tell that you were brought the same for me

So please don't let go, cause you know exactly what we found  
So please don't let go my darling  
You keep me hooked up underground  
It's gonna be you and me  
It's gonna be everything you've ever dreamed  
It's gonna be who and me  
It's gonna be everything and everything, we're meant to be  
We're meant to be

Rolling with the punches  
So they won't get inside our happiness  
Love is always hunted,  
But you're white rose is soaring through my tear  
Cause you know you give me something  
Yeah you give me exactly what I need  
Got my blood pumping  
You know you always draw more blood, I bleed

So please don't let go, cause you know exactly what we found  
So please don't let go my darling  
You keep me hooked up underground  
It's gonna be you and me  
It's gonna be everything you've ever dreamed  
It's gonna be who and me  
It's gonna be everything and everything, we're meant to be

In you're big house on the hills  
Where you keep your dollar bills  
And you stashed my heart  
Somewhere in the dark  
Keep it safe I know you will  
Know you will, know you will  
Know you will  
I know you will
