Dissolve, Aquarius

Aquarius is the age of love full of hope Is the time of peace, strong belive Aquarius is the nature calm, planet's voice For independent modern world Aquarius is state of mind on every plane Is a chance to go a better way

Try to dissolve Dissolve Try to dissolve Dissolve (Aquarius, Aquarius)

You wanna know
How to connect with your mother nature
What to do finnaly take your stress away
How to like in harmony and empathy
And when the time of recpect comrs
I know it's hard to stay in peace together
But the New Age can make it forever
Forever
