Disturbed, A Welcome Burden

Shout!

Heavy! You want it heavy! Welcome to my world, either way you pick you're winding down Heavy! I want it heavy! Welcome to my world, either way you pick you're winding down again

Gather your pathetic masses and bring them to me To a world devoid of lie To another time, to another place And then they pick a man, tastes my misery Rip away her disguise and brothel the lies that ya find The truth is sickening! We don't need to change it, really I kind of like it ugly!

Lay it mean! It binding! Seathing! Blinding! Screaming!

Gather your psychotic masses and bring them to me To a world devoid of sanity
Another time, & Damp; another place
And then the violence creates calamity
Rip away her disguise and brothel the lies that ya find The truth is sickening!
We don't need to change it, really
I kind of like it ugly!
