

Disturbed, Disturbed - Darkness (German)

Don't turn away
I pray you've heard the words I've spoken

Dare to believe, over one last time, then I let the darkness cover me
Deny everything, slowly walk away to breathe again
On my own

Carry me away
I need your strength to get me through this

Dare to believe, over one last time, then I let the darkness cover me
Deny everything
Slowly walk away to breathe again
On my own
On my own
On my own
On my own
On my own
On my own

Dare to believe, over one last time, then I let the darkness cover
Deny everything
Slowly walk away to breathe again
On my own
On my own
