

Disturbed, Inside The Fire

Ohh Devin, won't go to heaven
She's just another lost soul about to be mine again
Leave her, we will receive her
It is beyond your control, will you ever meet again?

Devin, one of eleven
Who had been rendered unwhole as a little child
She was taken and then forsaken
You will remember it all, let it fill your mind again

Devin lies beyond this portal
Take the word of one immortal

Give your soul to me for eternity
Release your life to begin another time with her
End your grief with me, there's another way
Release your life, take your place inside the fire with her

Sever, now and forever
You're just another lost soul about to be mine again
See her? you'll never free her
You must surrender it all if you'd like to meet again

Fire, all you desire
As she begins to turn cold and run out of time
You will shiver till you deliver
You will remember it all, let it fill your mind again

Devin lies beyond this portal
Take the word of one immortal

Give your soul to me for eternity
Release your life to begin another time with her
End your grief with me, there's another way
Release your life, take your place inside the fire with her

Give your soul to me for eternity
Release your life to begin another time with her
End your grief with me, there's another way
Release your life, take your place inside the fire with her

Ooh Devin, one of eleven
Who had been rendered unwhole as a little child
She was taken and then forsaken
You will remember it all, let it fill your mind again
