

# Dixie Chicks, Let Him Fly

Ain't no talkin' to this man  
Ain't no pretty other side  
Ain't no way to understand the stupid words of pride  
It would take an acrobat and I already tried all that  
I'm gonna let him fly -mmm

Things can move at such a pace  
The second hand just waved goodbye  
You know the light has left his face  
But you can't recall just where or why  
So there was really nothing to it  
I just went and cut right through it  
I said I'm gonna let him fly  
Oh yeah

There's no mercy in a live wire  
No rest at all in freedom  
Choices we are givin'  
It's no choice at all  
The proof is in the fire  
You touch before it moves away - yeah  
But you must always know  
How long to stay and when to go

And there ain't no talkin' to this man  
He's been trying to tell me so  
It took a while to understand  
The beauty of just letting go  
Cause it would take an acrobat n'  
I already tried all that

I'm gonna let him fly - fly whoa  
I'm gonna let him fly - fly  
I'm gonna let him fly - fly
