

# Dixie Chicks, Pink Toenails

Pink toenails

Why don't I have time to paint pink toenails?

I've got my

pink foam curlers in my ponytail

And my girlfriends have time for their pink  
toenails

Come nightfall

You'll be waltzin' thru my door when you hear me  
call

And I love the way you say I'm your baby doll

When you find me

sittin' there in my pink toenails
