

Dixie Chicks, Pink Toenails

Pink toenails
Why don't I have time to paint pink toenails?
I've got my
pink foam curlers in my ponytail
And my girlfriends have time for their pink
toenails
Come nightfall
You'll be waltzin' thru my door when you hear me
call
And I love the way you say I'm your baby doll
When you find me
sittin' there in my pink toenails
