

Dizzee Rascal, Graftin

[Dizze talking]

So what you thinkin bout london city now aye, Who dya city love

[Background] West London, South London.

Im the london hustler a golden grind, grind. Young hustlers we graft all the time dawn or dark, non stop UK walk.

Yo as a hustler in the city before i came to stack lord knows i got the devil on ma back so call when i gotta stay on track dog e god and i'll stay if u like in the LD and what i done to attract calm that i can show u where its at first things first get a block n a flat next up get a black hoodie n a hat livin in the big brothers camera view givin my axe to the boys in blue. straight 5 years gettin caught thats you, sittin in the cell still wonderin who dont keep quiet n keep it on a diet ask ur self wot bout steve *** not stu. pissed off with not alot to do and the word on the street dont ever seem new and resistin arrest dont even seem true endless heart who do u believe n will it ever relieve the lonleyness lets see if u remain convinced on my u know what the streets are like a few more words a couple more rages other than that not alot else changes.

[chorus]

Sky looks green

London city wish they graftin cos were gritty

*hustle hustle hustle, hustle hustle hustle cos there means

Sky looks green

London city wish they graftin cos were gritty

i used to roll your money up against the wall whenever i played hopscotch, well im clinical parkin life cos im back in the white mans cotch im bein doin this since papa ? i dont want any boy in my face invadin my space or bring on star and WATCH!

I'll end your hours on the clock i'll end your days u'll think im crazed when i give u big black clock end ur sentence...full stop.

Now what you gonna say about gats i kno ur platinum or not ur fought all ur rhymes on spot but im probably everythin that ur not. Ur totally mad you've lost the plot do u even concider gettin me gone carried off to a hospital like a shot ontop of a table ? i'll dictate n relagate whos heavyweight im king on the ring make music instinct u kno i do everythiin.

[chorus]

Sky looks green

London city wish they graftin cos were gritty

*hustle hustle hustle, hustle hustle hustle cos there means

Sky looks green

London city wish they graftin cos were gritty

Damn right yeh

young hustlers london city stand up

ama show u its gritty out ere

ye man serious...

u beta know you betta understand

its Dizzee Rascal SOLO

IM ERE WOT!
