

# Dizzy, Open Up Wide

Got a low cut shirt to help you endure  
there's not a lot to say  
cause I'm unsure  
I'll do it once more now with feeling  
Do it once more now without

Open up wide  
gotta pay to rent  
to rot away in my mom's basement

open up wide  
gotta pay to get  
to get the kids in front  
head banging

Headbanging x6

Got a Chevrolet sitting fat out front  
I've got a self esteem that's drying up  
And mummy called she wants her breakfast  
Made with love
