

# DJ Antoine, Ma Cherie (ft. The Beat Shakers)

We are gonna dance into the sea  
all I want is You, you're ma chérie  
never seen that girl that so jolie  
All I want is You, you're ma chérie  
ma chérie, ooooo

When I look into your eyes  
I see rainbows in the sky  
Baby when you're close to me  
I know you are ma chérie

We are gonna dance into the sea  
all I want is You, you're ma chérie  
never seen that girl that so jolie  
All I want is You, you're ma chérie  
ma chérie, ooooo

We don't need to run more high  
I'll be there to hold your tight  
You and me , we're on fire  
Ma chérie, you're my desire oh...

We are gonna dance into the sea  
all I want is You, you're ma chérie  
we are gonna dance into the sea  
all I want is You, you're ma chérie  
never seen that girl that so jolie  
all I want is You, you're ma chérie

I want take you higher  
I want take you higher  
I want take you higher

You're my love, you're ma chérie
