[50 Cent]

That's the sound of the man, cockin' that thang - that thaaaang

That's the sound of the man, clappin' that thang - thaaaang

Yo, in my hood we was taught not to say who shot ya

See the flash, you heard the shot, you feel the burnin', I got ya

Say a prayer for me if you care for me cuz I'm on the edge

I'm finna put a shell in a nigga head

I rock a lot of ice, I dare you to scheme on it

The fifth got a rubber grip and a beam on it

Homie that took the hit on me couldn't shoot this

Say I'm skinny now, but I look big in the coupe-dee

My cuzin Uzi out in L.A. done tripped and do the sets again

Got shot the fuck up tryin' to rob the wrong Mexicans

I write my lifestyle, y'all niggas is cheaters

Your lines come from feds, felons and don diva

Oh you the black hand of death, then why your name ain't preacher

If you a pimp like kid, why them hoes don't treat ya

If you wanna ball like Kirk, now shorty let me teach ya

This flow's God sent, it's bound to reach ya

[Hook]

Problem child, I'm familiar with problems

I know how to solve em

Semi-automatic, luger tray, revolve em

Shoot em up, rob em

In the hood we starvin, you don't want problems

Problem child

[Bridge] [Singing]

And why can't you be man enough

To tell me where you're comin' from

[50 Cent]

They say you can never repay the price for takin' a man's life

I'm in debt with Christ, I done did that twice

I'm nice, y'all niggas can't hang wit fifty

+Blaaat+, y'all niggas can't bang wit fifty

Say I'm born to rhyme, there's a shell and a nine

Face stone and the cross, there's a bitch I tossed

See the wounds in my skin they from a war of course

You can check C-N-N for the "War Report"
See the drama got me ridin' with a sawed-off shottie
Catch you at the light, I blow ya ass off the Ducati
Man, niggas ain't gon' do me like Sammy did Gotti
I do it myself, I don't need no help
Give me a knife, I'll get rid of your neighborhood bully
Give me a minute, I'll take a fuckin' car with a pully
See the hood is the deepest stole my innocence young
Niggas jumped me cuz they couldn't beat me one-on-one

[Hook]

[Bridge]

[50 Cent]

I must've broke a mirror at three and had bad luck for seven
Cuz pops slid, mommy died before I turned eleven
This cities split 'posed to let black cats cross your path
The footprints in the sand is Satan carryin' your ass
I got "God Understand Me" tattooed in my skin
When I die, come back, I'ma tattoo it again
I'm the young buck that let the gun buck
Roll the window down and say: "'Sup up, niggas get ready to duck"
My heart is a house homie, fear don't live here
Nigga believe me when I say I don't care
Muslims mix a lot, God studied they lessons
Even when my luck's hard I still count my blessings
See that look in my eye, ya betta keep on steppin'
Spent time on my cell floor, to sharpen my weapon
If you pussy I'ma smell you when you come around here
Them boys in Pelican Bay couldn't live in my tier

[Hook]
