

Dj Kuba & NE!TAN, Another Day (ft. Heidi A

No more loneliness
No more suffering
No more promises not ___
See my heart
And ___
I appreciate this love we share
You are the only one
You are the one

Love
Is all I ever dream of
I just want to go on

Now, the way is over
I save next to you, now
I leaving to your shoulder
So love me to
You are the one
You are the one for me
