## DJ Layla feat. Alissa, Single Lady

Give me your heart, give me your soul Give me your heart... x2 Give me your heart, give me your soul Give me your heart... x2 I am a single lady I'm waiting for your love And I don't need your diamonds I wanna have your heart... x2 Give me your heart, give me your soul Give me your heart... x2 One night (one night), and you will see I am the one you've been waiting for I will not rest, I'll make you rise Like a beautiful sun, next to me Give me your heart, give me your soul Give me your heart... x2 I am a single lady I'm waiting for your love And I don't need your diamonds I wanna have your heart Give me your heart, give me your soul
