

# DJ Valdi, Sax On The Beach (Feat. Ethernity)

I can't believe  
Just move it out  
I want to feel it  
And get it up  
Just singing'  
Baby, come baby tonight

I want to do it  
Just do it right  
Just take it ease  
Don't bring it up  
Baby, come with me  
Come with me tonight  
Feel it's tonight  
Come, come, come with me now

Lets your body feel tonight  
Come, Come , Come with me tonight  
Lets your body feel tonight  
Baby Sax On The Beach!

Lets your body feel tonight  
You want to be my lover  
Baby Sax On The Beach

You're my sexy girl!
