DMX:

Told y'all niggaz

Ya just don't listen

Why must you be hard headed

Tried to explain, but ya didn't hear me though

Ya know, grrrrrr

Uh

One two one two, come through run through

Gun who, oh you dont know what the gun do

Some do, those that know are real quiet

Let me think you wanna try it, fuck around and start a riot

Niggas gonna buy it, regardless because Im the hardest

rap artist and I'ma start this

Shit up foreal, get up and feel, my words

I make herbs split up and squeal

Ill is all Ive been hearin lately

Niggaz hate me, wanna duck tape me and make me

put their brains on the wall, when I brawl

Too late for that 911 call

Niggaz stay beefin but a lot of them bluffin

But not me because I'ma nigga that can get out of them cuffs

You think a lot of them tough

Not just for frotin

When I hit them niggaz like 'What you want?'

the battle turns into a hunt

With the dog right behind niggaz chasin em down

We all knew that you was pussy

but I'm tastin it now

And never give a dog blood

because raw blood

I have a dog like one bitin whatever

All up in ya gut

Give it to them raw like that

and ain't no love I do em all like that

Four right up in they back

Clak Clak

Close your eyes baby, it's over

Forget it, happened in front off your buildin but

nobody knows who did it

What

Where my dogs at?

What what

Where my dogs at?
Uh
Where my dogs at?
What what
Where my dogs at?
Uh
Where my dogs at?
What what
Where my dogs at?
Uh
Where my dogs at?
What what

Niggas is pussy
Keep me runnin from the werewolf, owww
Howling at the moon on the roof
Eh, ah, no, get em
Ten niggas on him, hope God's with him
Give me the bat, let me split him
I'll have em where the pillow and the casket won't fit him
Only reason I did him, he wouldn't fight back
Tried to strike back
Left him like that, layin up with the white hat
Gettin right back at ya when I snatch ya
up out the grave, nuthin but bones and ashes
Hittin niggaz with gashes to the head
Straight to the white meat but the street stay red
But this girl gave me head for free
Cause they see, who I'ma be by like 2003
That Nigga D took it there
He thought it was a joke
He went through like 20 G's and thought that
I was broke, stupid
That's what you get for thinkin and eventually
found that's what you get for stinkin
Blowin up the spot when you rot
plus if it gets hot they know you dipped
for four squared blocks
Hit em with the ox to the grill
Eh, ah, kill nigga kill
Yet still they don't know I'ma rob who
That dog DMX is a muthafuckin problem
Aight
