(Uh! Uh! Uh! Uh!) Ruff Ryders!

Volume one (volume one!), Swizz Beats (come on! come on! come on!)

[DMX]

If I thought y'all niggaz really wanted drama

I'da been pulled out the armor, word to my momma

I'ma -- hit y'all niggaz with somethin that you ain't never felt

Hit y'all niggaz for frontin you caught up in that hell

If I thought that half the shit that bitches said was true

I'd be spitting lead at you, to dead your crew

But -- if you know a bitch, you don't listen to that bitch

You don't argue with that bitch, all you do is

(Man: fuck that bitch!)

If I listened to all the snake niggaz that's runnin they mouth

I wouldn't be in the crib, I'd be loadin up, to run in your house

But -- you can't fuck with cowards, cause a coward'll be a coward

He'll end up killin these cowards, and I'm not feelin these cowards!

If I let the niggaz around my way tell me how to feel about me

I guess I really, wouldn't be d

But I'm the best that ever did it, the best at it because I live it

How many niggaz eat it and shit it, you cats want it? come and get it!
