[Verse 1: Joe Jonas]

Aye, I'm just trying to make my way on through the concrete jungle
Who walks with me?
Aye, oh yeah, tryna find connection in two-thousand something ain't easy

[Pre-Chorus: Joe Jonas]

Woohoo, can't quit, take sips
Wanna taste you
Ooh, make wish, use lips
Kissing strangers

'Till I find someone I love
Na na na na na na na na
Kissing strangers (ooh)
Na na na na na na na na
'Till I find someone I trust
Na na na na na na na na
Kissing strangers (ooh)
Open heart, open mind

[Verse 3: Nicki Minaj]

I got a boy that I kinda like
This is a kiss-kiss, tongue him down kind of night
He got that mmm, mmm, hard, got that China white
He got that bomb, I think I'mma call him dynamite
I gotta lotta sons, I could show you all the sonograms
Me? I'm Jem, and these bitches is the holograms
Me? I win and these bitches just lose
They ships sink, but my ship, it just cruise
Anyway, I'm back, with my baby gat, gimme piggy back
Drip drip, where that kitty cat, put it in his lap
Sip sip on the tip tip, lick on his lip-lip
I think he's tryna hit young Nick like a quick pic
