

DNCE, Toothbrush

Maybe you don't have to rush
You could leave a toothbrush
at my place /2x
We don't need to keep it hush
You could leave a toothbrush
at my place /2x

Stuck in a limbo, half hypnotize
Each time I let you
stay the night /2x
Up in the morning
Tangled in sheets
We play the moment on repeat

When you're standing there
In your underwear and my t-shirt
From the night before
With you maeese up hair
And you feet still bare
Would you mind closing the bedroom door?

Maybe you don't have to rush
You could leave a toothbrush
at my place /2x
We don't need to keep it hush
You could leave a toothbrush
at my place /2x

No0 need to question
Next time we meet
I know you're coming
home with me /2x
Sweat like a sauna
Break out the ice
I know you're gonna
stay The night /2x

When you're standing there
In your underwear and my t-shirt
From the night before
With you maeese up hair
And you feet still bare
Would you mind closing the bedroom door?

Maybe you don't have to rush
You could leave a toothbrush
at my place /2x
We don't need to keep it hush
You could leave a toothbrush
at my place /2x
