&lt;lyrics&gt;
When new morning is entered, it expands the hand largely and is deep breath

The tear whose yesterday is sad you make the sun forget

Don't you think? certainly there is a variety to the day when this time it can meet don't you think? w

All the way it cries and doing if it reaches the point where meaning of the smiling face is recognize

Rather than 3 years ago and now comparing, thing ahead 10 years we would like to represent

How, even without because also every day when it is not connected future

To the day when this time it can meet as for promise it is not however with, don't you think? as for t

Colliding all the way, incompetent me the only in you as for being possible song of simply one this I

Always your smiling face even showing the time of what kind of, that is my treasure

To the day when this time it can meet as for promise it is not however with, don't you think? as for t

All the way, even when crying and doing if it reaches the point where meaning of the smiling face is
