&lt;/lyrics&gt;

When I saw you in my dream  
You were wandering aimlessly down a small, narrow road.  
As the shadowy darkness began to loom, you searched,  
You said I've found treasure

Just as I have been dragged  
Through many a season that has passed,  
Will turning back the hands on that old, worn watch  
Soften the pain of my sorrow?

My shouts resonate  
Just like an echo ah ah  
I can't remember the place that I lost,  
And the tears start to fall ah ah ah

If you are to walk the same road again tomorrow,  
Take me with you, and we'll walk together.  
Aimlessly, yet without being in futile  
Love me as I stand before you.

These red memories are smashed to pieces,  
Disappearing into the sky ah ah  
The sound of my voice has now scattered,  
Swept away by the wind ah ah ah

My shouts resonate  
Just like an echo ah ah  
I can't remember the place that I lost,  
And the tears start to fall ah ah ah

These red memories are smashed to pieces,  
Disappearing into the sky ah ah  
The sound of my voice has now scattered,  
Swept away by the wind ah ah ah
