

Doda, Girls To Buy (feat. Maria Sadowska)

Digging gold
Heart like a stone
There's no love
Just Louis Vuitton, babe

Balenciaga, Prada, Chanell, Rolls Royce
Aston Martin, Rolex, Cartier, Gucci and Tom Ford, yeah

What I have is who I am
Money money is my second name
It's a game, you must pay
If you want to play
Love for sale
I'm gonna drop the top
I'm gonna blow your mind
'Cause I'm a girl to buy

If you can afford it you can try
Cause we are girls to buy
We are girls to buy, yeah

If you can afford it you can try
Cause we are girls to buy
Girls to buy

If you can't afford it you can't try
Cause we are girls to buy
We are girls to buy, yeah
Look at me now with your blinky eye
Cause I'm your, girl girl to buy
Girl to buy

Find my G spot
On table top
Reload your gun
Show me what you've got, yeah

Snowing Angel Champagne room
Golden Arch and snake
Ballet dance or 69
Now you make my day, yeah

What I have is who I am
Money money is my second name
It's a game, you must pay
If you want to play
Love for sale
I'm gonna drop the top
I'm gonna blow your mind
'Cause I'm a girl to buy

If you can't afford it you can't try
Cause we are girls to buy
We are girls to buy, yeah
If you can't afford it you can't try
Cause we are girls to buy
Girls to buy

If you can't afford it you can't try
Cause we are girls to buy
We are girls to buy, yeah
Look at me now with your blinky eye
Cause I'm a girl to buy
Girl to buy
