

Doda & Grzegorz Hyży, Let It Snow! (30 lat Telewizji Polsat)

Oh, the weather outside is frightful,
But the fire is so delightful,
And since we've no place to go,
Let it snow, let it snow, let it snow.

It doesn't show signs of stopping,
And I brought some corn for popping
The lights are turned down low
Let it snow, let it snow, let it snow.

When we finally kiss good night
How I'll hate going out in the storm
But if you really hold me tight
All the way home I'll be warm.

The fire is slowly dying
And, my dear, we're still goodbyeing
But as long as you love me so.
Let it snow, let it snow, let it snow.

He doesn't care if it's in below
He's sitting by the fires glossy glow
He don't care about the cold and the winds that blow
He just says,
Let it snow, let it snow, let it snow

Oh we goes the storm
Why should he worry when he's nice and warm
His girl by his side and the lights turned low
He just says,
Let it snow, let it snow

The weather outside is frightful
But that fire is ummm... delightful
Since we've no place to go
Let it snow, let it snow, let it snow

It doesn't show signs of stopping
And I've brought lots of corn for popping
The lights are way down low
So let it snow, let it snow, let it snow

When we've finally say goodnight
How I'll hate going out in a storm
But if you'll only hold me tight
All the way home I'll be warm

The fire is slowly dying
And my dear we're still goodbyeing
Long as you love me so
Let it snow, let it snow, let it snow!
